THE LEAVING BIOGRAPHY

The Leaving is an acoustic singer-songwriter solo project of Zatokrevs' singer and guitar-player Frederyk Rotter. In 2010 Frederyk released the acoustic album Even If We Sleep through his own label Czar Of Crickets Productions and played many shows in Europe under the name Fredy Rotten.

The name The Leaving has been created in 2013 to go on with a new vision. Inspired by the daily life and various encounters with different individuals, Frederyk composed a new album called "Faces". This opus is going to reveal the depths of human relations. In contrast to the mighty noise-doom band Zatokrev, the The Leaving is reminiscent of a silent, untrodden river.

Faces was recorded at the studio "La Fonderie" in Fribourg (CH) by Christoph Noth, mixed by Noah Landis at Unysses Sound Lab in Berkley, California and mastered by JJ Golden at Golden Mastering in Ventura, California.
